

Travelling by Road

From the south, east or west the A64 and A1036 are the roads to follow. From the A1036 follow the signs for York Race Course, which you will pass on your right hand side, and then follow the signs for the railway station until the city walls/Micklegate Bar are directly in front of you. At the traffic lights the Bar Convent will be on your right. To park turn right at the traffic lights and then left into the nearest car park on Nunnery Lane.

From the north, use the A19 and A59, then the York Ring Road to avoid the city centre. You will then follow the A1036 into Micklegate Bar.

Park and Ride

There is an excellent Park and Ride bus service from Askham Bar (A1036 south) which stops directly outside the Convent.

Travelling by Rail

For those who arrive by Rail, the station is five minutes walk from here. Turn right out of the station and walk towards the traffic lights. The Bar Convent is across the lights on the corner of Nunnery Lane and Blossom Street

Travelling by Air

The York AirCoach stops opposite York Railway Station, adjacent to Queen Street bridge at Stop J.
